Dear Parents/Carers,

**Re: A new chapter wish list!**

At Paxton we are rightly very proud of the broad and engaging curriculum which we offer to our pupils. We are also hugely grateful for the fantastic support we receive from our parent community. I am writing to share with you an exciting new initiative which will blend together the two.

[A New Chapter Books](#) is an online children's book store which promotes diversity and inclusion. They stock a wonderful range of books which feature characters from all walks of life. Representation within literature is shown to have a huge impact on children's self-esteem and engagement with reading. We would love to be able to continue filling our school with as many diverse books as possible and are calling on you, as our wonderful school community, to help us if you are at all able to.

We have set up a wish list with A New Chapter. This works very similarly in principle to a wedding list and enables members of the public to buy books as a donation to the school which will be delivered directly to the school. If you would like to make a donation of a book to the school we would be incredibly grateful.

We look forward to being able to share more diverse books with our children thanks to your wonderful support.

Yours Sincerely,

Paxton Senior Leadership
