Dear Parents and Carers,

Re: Road closure

We have been notified today, by Thames Water of planned water works on Woodland Road, and along Woodland Hill to the junction with Gipsy Hill. **This work will commence from Monday 12th July, for a period of 3 weeks.** This will result in these roads being closed to all traffic. Cawnpore Street will be closed at the junction of Woodland Road, once works reach this stage.

We appreciate that this will have a real impact for many of our families who travel via these routes, by car.

Please consider your travel routes for drop off and collection. We ask that parents avoid driving all together, or to park in the wider vicinity and make the remainder of the journey to and from Paxton, by walking.

It is anticipated that we will experience less traffic directly outside the gates, and thereby better ensure safe arrival and departure for children and families.

Yours Sincerely,

J Muhammad
