Dear Parents/Carers,

Re: Parents into Reading

As we continually refine our Covid 19 Risk Assessments, we are delighted to be able to reintroduce Parents Into Reading next half term. We are reintroducing this in a staggered manner, please note the dates for your child's class.

- The session will run 9:10-9:40 am, thus allowing children to move into the building before asking adults to join, in order to reduce congestion in corridors.
- Please do not enter the building if you are displaying symptoms of Covid 19 or have been instructed to isolate by NHS Track and Trace.
- Parents may read with their children in the named class but at this point we are unable to gather siblings from other classes to join them.
- You will be asked to sign in for Track and Trace purposes.
- If you do have alternative childcare for any pre-school aged children during this time this would be appreciated, but we understand this may not always be possible.

We appreciate the support of our school community as we gradually refine our Risk Assessments and open our school more. We are doing this in a gradual manner with the intention to make events as successful as possible, whilst keeping our school community safe.

Kind regards,

Paxton Senior Leadership
