8 July 2021

Dear parent/carer,

Re: Update to DfE Guidance

You will be aware of the announcements made over the last couple of days regarding changes to the guidance for schools as well as across wider society. We will be taking time over the next few days to carefully consider the guidance in partnership with the local authority and public health. In light of the new guidance we will be reviewing our risk assessments and systems of control and these will be shared with you in preparation for our return in September.

Please note that although step 4 of the government roadmap starts on 19th July and our last day of term is 23rd July, we will **not** be making any changes to our systems of control before the end of term. Any revisions will come into effect at the start of the new term in September. This is to ensure consistency and as little disruption as possible for our pupils and whole school community as we move to the end of the school year. Our focus is to secure the best possible transition for all at the end of the school year, in preparation for our return in September.

As ever, the health and safety of our whole school community remains our priority and we encourage you to speak with a member of the Senior Leadership Team should you have any questions.

With many thanks for your continued support,

Yours Sincerely,

Mr J Muhammad
